## REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior arts fail to teach or fairly suggest a memory writing circuit which includes a power source for providing voltage and current to a circuit having input line coupled to a logic inverter, first transistors and second transistors coupled to respective leads of said input line, and a plurality of sense lines and sense amplifiers coupled to the other leads of said first and second transistors in a configuration such that for enabling the addressed bit being written, and said sense line is used for both read and write application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
